

I'm Austin Truchan, a digital product designer with a strong belief in simplicity, delightful experiences, and human centered design. I craft digital products for web, mobile and experimental interfaces. I specialize in UI/UX, Interaction & Web Design, but practice everything from frontend development, to logo/icon design, to experimental graphic design. I enjoy creating elegant, delightful interfaces that put usability and accessibility first. I currently work as the Head of Design at Matrix: Center for Digital Humanities & Social Sciences.
